Frank Giuffrida

welcomes you to the

Hilltop Steak House

I'd like to take you on a photographic tour of Hilltop. I am proud to be the fourth generation of my family to have been in the meat business. This accumulation of knowledge has resulted in my being able to keep the pledge to serve only the highest quality meats.

And NOW — Hilltop quality at wholesale prices for our retail patrons in the Hilltop Butcher Shop at the rear of the Steak House.

Frank Giuffrida

"Hilltop Steak House" and "Hilltop Butcher Shop" are registered trade marks.

Here at the huge sign of the cactus, symbol of the meatlands of the west, is **Hilltop Steak House** seating over 1400 patrons. Swing off the highway into our spacious paved parking lot accommodating 1000 vehicles, and relax in anticipation of the dining pleasure to come.

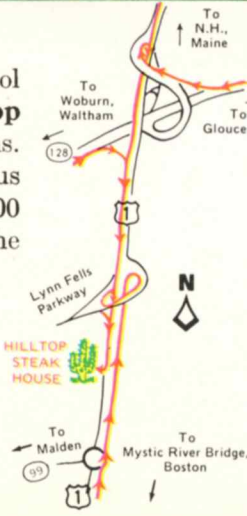
NO RESERVATIONS

Open 11 a.m. to 11 p.m. daily.



Straight ahead, as you enter the door, the old west springs to life in "Dodge City" (pop. 102). This is a popular spot, particularly for businessmen's luncheons.

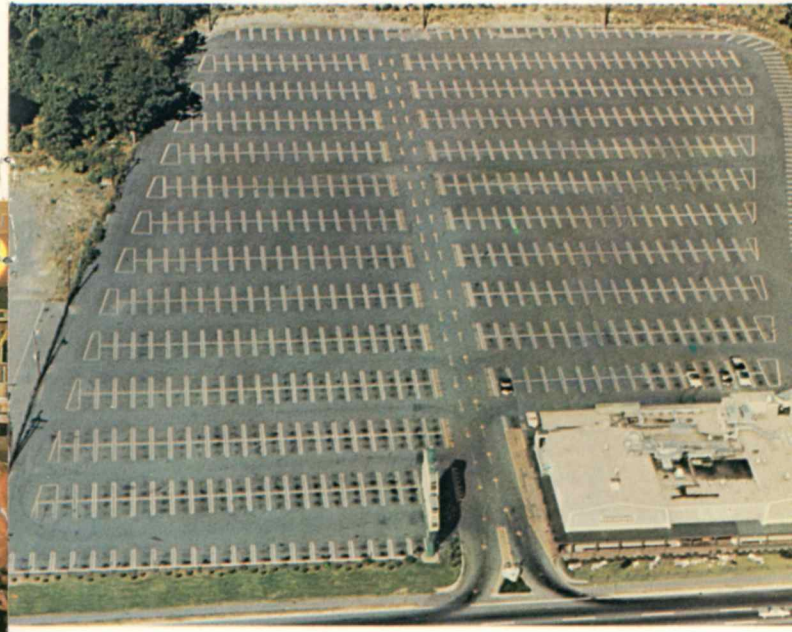
Luncheon menu daily except Sundays and holidays. Special Friday menu features fish.

Imitation is flattering - and a sure sign of success, but try as they may there is only one HILLTOP STEAK HOUSE.

We have thrown away the book of rules and concentrate instead on doing what we know best, serving the best steaks anyone can buy, at a price everyone can afford, in an atmosphere free from the usual routine where we never stop trying to do even better.

On your right is "Kansas City" (pop. 425), a comfortable family dining room with tables and booths.

To the left of the front lobby is "Sioux City" (pop. 324), Focal point of this mellow dining room is the huge fieldstone fireplace.



Carefree parking is the by-word at

HILLTOP STEAK HOUSE

Our 1000-car parking lot has been designed to allow 12 feet wide spaces instead of the usual 9 feet, for easy door-opening and simple parking. Wide, two-way travel lanes make for smooth movement within the lot.
